Event Report: National Level Technical Poster Presentation

The **National Level Technical Poster Presentation** was successfully conducted on **23rd January 2026**. The event began at **2:00 PM**, with participants reporting by **12:00 PM**. The objective of the event was to provide a creative platform for students to visually present their technical ideas, research concepts, and innovative solutions through posters.

Participation Details

The event saw active participation from students representing various institutions. Each team consisted of a **maximum of four members**, promoting collaboration and teamwork. An **entry fee of ₹100 per poster** was collected.

Submission and Evaluation

Participants were required to submit their posters on or before **21st January 2026**. The evaluation was carried out based on:

- Creativity and visual appeal
- Clarity of content
- Technical knowledge
- Innovation and relevance of the topic
- Presentation and explanation skills

Technical Tracks

The posters were presented across multiple domains, including:

- Artificial Intelligence and Machine Learning (AI/ML)
- Android / iOS Development
- Internet of Things (IoT)
- Computer Engineering
- Cyber Security

- Blockchain Technology
- Electrical Engineering
- Mechanical Engineering
- Electronics and Telecommunication (EXTC)

The event was efficiently organized and managed by the coordinators.

Student Coordinators:

- Atharva Wable
- Rohan Yadav
- Vaishnavi Pai
- Aryan Jadhav

Faculty Coordinators:

- Prof. Manisha Hatkar
- Prof. Archana Khelurkar
- Prof. Mohini Thite

Their collective efforts ensured smooth execution of the event and effective management of participants.

Awards and Recognition

To encourage excellence and innovation, the following prizes were awarded:

- **1st Prize:** ₹2,000
- **2nd Prize:** ₹1,000

Participants showcased impressive creativity and technical understanding, making the competition highly engaging and informative.

Winners

1st Prize – ₹2,000

Team Name: _

1. Dhaval Smart
2. Rakesh Bhakre

Poster Title: SatGard: Predicting Orbital Risk

2nd Prize – ₹1,000

Team Name: 1. Shetty Charan 2. Shaikh Muhammad Hamza 3. Shaikh Lubma Rafiq

Poster Title: _ GUNA: Graded unified norms for accreditation)
